My Dear Reid,

Yours of the 3^d I came today
re Railroad.

I am of the opinion Harriman
will build it. If he does not I am
laying the ropes to get Rockefeller
& Gould to put the Western Pacific
branch in.

How far is it from Winnemucca
to the Iron & White Cloud. If I remem-
ber right their road runs near Winne-
mucca. Am I right?

What direction and how far from
Lovelock is Seven Troughs?

Can't you make a little sketch showing
7 Troughs, Juniper Mtn also showing White
Cloud & the R.R.? I mean just a little
rough sketch. Glad things are looking so
well. Kindest regards I am

Sincerely Yours

O. A. Hitchcock
